**Reviews the report on the working of Jails and Lock-ups for the Calendar year 1933.****R.E.A.D.—**

Report on the working of Jails and Lock-ups in the State during the Calendar year 1933, received from the Inspector-General of Prisons with his letter No. 1696, dated 22nd June 1934.

**ORDER No. G. 788-99—PRIS. 64-33-3, DATED BANGALORE,  
THE 28TH JULY 1934.**

Recorded.

The report was due by the 15th of April but was received on 25th June 1934. The delay is reported to be due to the non-receipt of the necessary statistics from the Districts. The Deputy Commissioners are requested to avoid such delays in future.

2. The total number of prisoners of all classes confined in the Jails and Lock-ups including 880 prisoners remaining at the end of the previous year was 7,400. Of these, 6,421 were discharged, leaving a balance of 979 at the close of the year. The daily average number of prisoners rose from 836·77 during the previous year to 873·43 in the year under report. The number of juvenile prisoners under the age of 15 decreased from 88 to 86 but the number of first offenders increased from 40 in 1932 to 43 in 1933. The number of prison offences declined from 883 in 1932 to 789 in the year under review. The percentage of corporal punishments awarded to prisoners for jail offences decreased from 7·36 during the previous year to 4·05 in the year under report.

3. The gross expenditure of the Department was Rs. 1,18,157 against Rs. 1,27,587 showing a decrease of Rs. 9,430. The fall is mainly due to the conversion of the Mysore Jail into a Sub-Jail and the cheaper rates for dietary articles.

4. The cash earnings from the employment of convicts on remunerative labour rose from Rs. 29,062 during 1932 to Rs. 32,581, giving an average cash earning of Rs. 61-0-6 per head of prisoners sentenced to labour as against Rs. 55-7-5 during 1932. The total cost of prisoners in the two jails was Rs. 91,410 as against Rs. 1,01,737 in the previous year. The average net cost after deducting cash earnings works out to Rs. 85-0-3 per head as against Rs. 105-8-4 per head in the year 1932. The decrease per head is due to the decreased expenditure under dietary charges owing to fall in market rates for articles as well as to the increase in the earnings of prisoners.

5. The health, discipline and conduct of the prisoners in the Jails and Lock-ups continued to be satisfactory throughout the year.

6. A sum of Rs. 44,461 was realised during the year from the industries in the Central Jail, Bangalore and the Sub-Jail, Mysore, against Rs. 54,441 in the preceding year.

7. During the year, the issue of rice to such of the convicts as were unaccustomed to ragi was ordered. Orders were also passed directing the issue of two suits of clothing to convicts once in nine months instead of one suit once in ten months.

8. On the recommendation of the Standing Advisory Board of the Bangalore Central Jail, twenty-eight long term convicts were released on probation during the year under report.

9. Government are pleased to note that the Administration of the Department during the year was satisfactory.
